

**Making It Better**  
**North of Scotland Children and Young People's**  
**Health Services Transformation Programme**

**Geographical scope**

The programme covers approximately 40,000 km<sup>2</sup> and a population of 1.3 million living in the geographical area of the following NHS Boards:

- **NHS Grampian**
- **NHS Highland**
- **NHS Orkney**
- **NHS Shetland**
- **NHS Tayside**
- **NHS Western Isles**

**What's it all about?**

**We'll work together to understand current services across our region, prioritise areas for improvement and recommend longer term transformational improvements.**

**How will we do this?**

- Talking to children, young people, families and professional stakeholders – tell us your priorities for Making It Better
- Host workshops where we can share real examples of service improvements
- Help colleagues to implement 'quick win' changes
- Complete a comprehensive needs assessment, gathering the latest information to understand current services
- Make recommendations for the sustainable transformation of service models across the North of Scotland
